

Tuesday 6th October 2026

Dear Parents and Carers,

In It to Win It!

We are excited to introduce our new attendance reward, **"In It to Win It!"**

Each half term, we will hold a special reward for **all children who are in school on the designated reward day**. Children do not need to have achieved 100% attendance across the whole half term- they simply need to be in school on the day to take part.

Rewards throughout the year will include:

- An ice cream from the ice cream van, with dairy-free alternative available
- A silent disco
- A bouncy castle
- Other exciting activities and treats

We hope these special days will create some lovely memories for the children while encouraging everyone to attend school regularly.

If you do not wish your child to participate in any of these rewards, please inform the school office by emailing info@shirleywarren.co.uk.

Kind regards,

Mrs Ship
