Respecting Our Local Neighbours

Dear Parents and Carers,

We have received a concern from a local resident regarding groups gathering and creating a significant amount of noise in the roads surrounding the school at the end of the day.

We kindly ask all families to be considerate of those who live nearby when leaving the school site. Please keep noise to a reasonable level, ensure children are closely supervised and avoid blocking pavements, driveways or access to residents' homes. We also kindly ask families to be mindful of gathering in residential areas for longer than necessary after collection.

Thank you for helping us to maintain a positive and respectful relationship with our neighbours.

Kind regards,

Mrs Ship

Acting Headteacher
